Water Conservation by Heidi King, Utah Div. Water Resources

- 2021 Water Resources Plan (Water. Utah. Gov/2021 Water Plan/)
- Utah's water demand is projected to exceed the reliable supply between within the next 30 years with our current conservation efforts. With expected agricultural conversions and additional conservation efforts this could be extended an additional 25 to 30 years.
- Conservation Incentives:

# How to Apply

DNR

Old toilets are a leading cause of wasted water in Utah homes. Rebates will only be given for replacing toilets that use more than 1.6 gailons per flush and were installed in homes built business 1993.

#### **Create Account**

- Create an account on UtahWaterSavers.com
- Upload a copy of water bill
- Documentation needed:
  - Photo of toilet being replaced
  - Photo of new toilet installed
  - Receipt
- Rebate checks will be made payable to the property owner

# **Smart Controller**

Smart controllers can help save water by automatically adjusting watering schedules based on local weather and landscape needs. Ready to stop worrying about turning your sprinklers off after it rains? Rebates for smart controllers are available throughout the state.

#### Overview

• Rebates for up to \$75

#### **Eligibility**

- Residential program
- New smart controllers must be EPA WaterSense labeled
- Rebates limited to one smart controller per property every five years

Water Conservation Gamification – Jesse Empey (Wetx)

- Saratoga Springs, Ashley Valley WCD are looking into this.
- Grant was given to Wetx to explore gamification software to conserve water.
- Saratoga Springs saved water would be sent down the Jordan River to the GSL.
- Ashley Valley WCD saved water would be put in a seasonal water bank.

# Who is this for?

Any water delivery organization!

#### Requirements:

- Ability to share water usage data for households to calculate water savings
- Ability to couple a user's usage data to Water Savers account
- Willingness to work with the state or a local Water Bank to monetize conserved water
- Optionally work with local business to sponsor prizes
